POLICY STATEMENT ON TUITION AND TUITION ASSISTANCE

For many parents, tuition is higher than can be met reasonably. For that reason, we urge parents who feel that the tuition is beyond their means to apply for tuition assistance. Ramaz deeply believes that tuition assistance is an essential expression of our values and critical for our families whose circumstances require such assistance.

Please be assured that all tuition assistance information is kept in the strictest of confidence.

The enclosed schedule of tuition and fees at Ramaz covers only a portion of the true cost of educating each student, thus every child is subsidized, regardless of need.

MULTIPLE CHILD DISCOUNT (MCD)

The MCD program is a streamlined approach for families who need assistance with tuition because they have three or more children at Ramaz, but do not want to go through the full tuition assistance process. If you want to apply for this program, please email your application to tuitionassistance@ramaz.org no later than April 15, 2022.

BUS TRANSPORTATION

The School assists parents by arranging for private transportation of children before and after school. There is private bus service to several communities outside of Manhattan for Upper School students. In most instances service is door to door. Late buses are available to most neighborhoods.

Ramaz subsidizes a portion of the bus transportation costs. Fees for private transportation are separate from tuition and will be communicated separately in the late spring to all families who live within the service areas. Please note that the NYC Department of Education does not provide bus service for Upper School students. Students may be eligible for subsidized public transportation, as determined by the New York City Department of Education – Office of Pupil Transportation.

For any questions relating to bus transportation, please contact our Chief Operations Officer, Larry Berman, at 212-774-8027.

GUIDELINES FOR TUITION ASSISTANCE

We hope that this information will be helpful to you by outlining the various steps required to apply for tuition assistance.

In order to assist us in reviewing applications and to make applying for tuition assistance as equitable as possible, we use the FACTS Grant and Aid Application in conjunction with the Ramaz Application for Tuition Assistance.

Each family must complete **both** applications:

1. Online FACTS Application
2. Ramaz School Application (must be downloaded, completed and mailed.)

1. Please complete the FACTS Application online at <https://online.factsmgt.com/signin/3FL71>. A non-refundable fee of \$40 is required. You will be instructed on how to pay online.
2. The Ramaz School Application for Tuition Assistance should be downloaded at www.ramaz.org/tuitionassistance.

Completed applications should be sent to:

The Ramaz School Tuition Assistance Office
60 East 78th Street
New York, NY 10075

- Please type the forms or print neatly.
 - Take care not to leave any blank spaces. "Zero" must be entered if no other entry is appropriate.
 - The forms should be signed and dated where indicated.
3. The FACTS and Ramaz Tuition Assistance applications should be submitted by April 15, 2022.

It is important that both applications be submitted; one without the other is not sufficient.

Please understand that final decisions on tuition assistance applications cannot be made until all of the required documentation is received.

If you have any questions regarding the FACTS application, you may call the FACTS Customer Care Representative at 866-315-9262, Monday through Thursday from 10 AM until 7 PM (Central Standard Time), Friday 10 AM until 5 PM (Central Standard Time).

An application cannot be reviewed until all previous financial obligations have been met. If there is anything that we can do to assist you in this process, please do not hesitate to contact us.

Thank you for your cooperation.
